There are a variety of ages of children to work with at Camp Wyldewood. Below is a list that you may be assigned to counsel, lead, and/or work with. Jobs change from session-to-session, so you may change groups as well. There may be sessions that you don't counsel at all and are asked to support our counselors in a staff position.

Wyldeewood offers you the opportunity to use any gifts or talents you have in a number of ways. One opportunity is at all-camp activity time, when the campers break up and choose the activity they want to do. Some counselors have taught aerobics, taekwondo, weightlifting, cheerleading, etc. Please list any talents you have that you already have experience in and could facilitate for the campers during their activity time. These talents may also be used during other activities as well.

On an attached sheet of paper, please answer the question below--

***The theme for summer 2012 is "Celebrate." What are the top 5 things you celebrate in life? Where do you really find your joy? Explain each of the 5. What are the top 5 things you feel you should celebrate? Explain each. Are the two lists similar? Different? Why? Explain.***

Camp Wyldeewood pays first time counselors \$160 a week, plus room and board. Our program is 10 weeks long, so you can count on making around \$1600 for an entire summer. Returning counselors make \$180 a week. Only members in good standing with a church of Christ are allowed to be counselors. Members of other denominations are welcome to apply, but you will be filling staff roles: day camp counselor, lifeguard, kitchen worker, etc. These positions are very fulfilling as well, so please don't feel you won't have an opportunity to serve or grow.

Please list two non-family, non-peer references.
